On behalf of the Town Council and volunteer members of the Dauphin Island Fire and Rescue Squads, I want to express my sincere appreciation for supporting our emergency services during the "Tall Ship" visit on July 3, 2002. We thank you for assisting our dedicated volunteers as they prepared the island for an influx of visitors and sightseers hoping for a glimpse of these spectacular vessels.

We recognize your generous contribution to our community and extend our heartfelt thanks for a job well done.

Respectfully,

Jeff Collier
Mayor
Town of Dauphin Island, AL
